

# Module 10

## Avoid Hot Topics

As a Guard, we are only concerned with actions and issues that present a risk factor to the integrity of our sites. Some criminal perpetrators will also change their appearance to appear less conspicuous or suspicious to Security personnel. By focusing on fact or schuss kin color, mode of dress, religion, or sexual orientation to name a few, we are limit in go durability to properly protect our site because we will be providing the opportunity to act improperly to everyone else.
