## 1.3 Security Guarding:

### **Security Guard Job summary**

- Mobile Security Guards will travel in a vehicle from site to site. They will perform routine patrols and respond to emergencies.
- Foot Patrol Guards will be stationed at one site for their entire shift and will respond to all occurrences at their site.
- Other Guards are typically a blend of mobile patrol and foot patrol. They will travel from site to site in a vehicle and then patrol on foot when they arrive.
