

1.3 Security Guarding:

Module 1

There is an inherent risk in being a Security Guard. The Security Guard is often responding to situations alone and sometimes works in remote locations. Being a Security Guard can be very rewarding. You deal directly with the public and get to see the impact you make.

Knowledge & Abilities:

Effective Communication both verbally and in written

- Manage a Situation under immense pressure
- Work individually or as a member of a team
- Perform the physical requirements of the position
