

# Module 1

## 1.3 Security Guarding:

A Security guard is a person who performs work, for remuneration, that consists primarily of guarding or patrolling for the purpose of protecting persons, property and information.

### **Examples of this type of work include:**

- Acting as a bouncer;
- Acting as a bodyguard;
- Performing services to prevent the loss of property through theft or sabotage in an industrial, commercial, residential or retail environment.
- A reference to performing work for remuneration includes performing work pursuant to an agreement that provides that the remuneration paid is contingent, in whole or in part, on the completion.
