

# Module 1

## 1.1 Different Jobs in the Security Industry

- **1.1.3 Mobile Patrol & Response Services:**

- In Mobile Patrol & Response Services guards are responsible for driving from site to site, patrolling a variety of locations and responding to alarms and emergency situations. Some of the examples of patrolling include:
  - Parking patrolling, enforcing select municipal parking bylaws such as parking offence by issuing city parking
  - offence notices, enforceable by fines
  - Patrolling in Logistics, warehousing, shipping and materials storage facilities, including ports
  - Armed services, protecting cash in transit or large amounts of moveable valuables
  - Hospital patrols, control rooms, emergency room reception, patient watches
